

4<sup>th</sup> March 2022

Dear Parents and Carers,

During the week beginning 14<sup>th</sup> March, we will be launching ourselves into British Science Week. The theme this year is 'Growth' and the children will be taking part in lots of exciting investigations and activities linked to this theme.

The theme of Growth links well with our previous learning, from across the curriculum: during our World Book Day celebrations, we explored how kindness and creativity grew within The Tin Forest and, during Children's Mental Health week's focus of "Growing Together", we discussed the strategies we use to maintain a healthy mind and positive sense of wellbeing.

Each year group will be exploring what 'Growth' means to them by using their scientific skills such as questioning, observing, using simple equipment and performing simple tests. We hope for some lovely, dry weather during the week so that we can take full advantage of our outdoor learning areas too.

We are looking forward to sharing with you all of our fantastic ideas and findings about 'Growth'!

Yours sincerely

Miss Earl and Miss Sweatman

Science Leads at The Solent Schools
