

Solent Infant School Sports Premium Fund Plan 2021-2022

PE Premium Priorities 2021-22	Cost	Planned impact	Evaluation of spend
<p>Year group active boxes for playtimes. New and exciting range of resources to encourage increased opportunities for children to be physically active.</p>	<p>£1000</p>	<p>Active resources to take out for playtimes and active times to encourage children to practise and develop a range of skills e.g. skipping, throwing, catching, balancing etc.</p> <p>We will also purchase a range of new PE resources to support the delivery of our engaging new PE planning and ensure the effective delivery of exciting teaching and learning for our pupils.</p>	<p>These resources have had a massive impact on the activity levels of our children. They are able to engage with a number of exciting resources and therefore develop a number of key physical skills to support their development. As well as the obvious benefits for PSED.</p>
<p>Year R physical outdoor learning resources</p>	<p>£1500</p>	<p>Purchase a range of exciting resources to develop the physical skills of our youngest children. Due to some of the COVID restrictions, the physical development of some of these children has been hampered, so we plan to enhance their physical skills through a range of excellent resources.</p>	<p>Providing a range of exciting resources has led to our Year R children engaging with these to develop a range of physical skills -both gross and fine motor. 94% of our YR children had met GLD for Physical Development</p>
<p>Staff PE CPD delivered by external provider (Megan?) to develop staff confidence and expertise in teaching certain areas of the curriculum content.</p>	<p>Cost of twilight CPD session</p>	<p>Teachers to have expert deliver effective CPD on excellent practise in teaching and learning from Year R to Year 2. Megan also teaches our PPA PE in Years R and 1 so will develop a bespoke package to suit the needs of our learners.</p>	<p>PE lead carried out confidence audit and decided to outreach support for the teaching of Fundamental Movement Skills. This training</p>

			will now take place in Spring 23.
PE subject monitoring from EYFS, Year One and Year Two	Cost of class cover for PE lead	Feedback to staff will be developmental and build upon the effective CPD from the specialist sports coaches. The PE lead will have an overview of staff's confidence and a good understanding of where to offer coaching, training and future CPD opportunities. Children will receive PE lessons that progress their skills throughout a series of lesson and build on those skills from year to year. PE lead will also be liaising with teaching staff to evaluate the effectiveness of the new Rising Stars Champions planning.	PE lead has effectively communicated with colleagues about PE planning. Staff team have enjoyed teaching from the Rising Stars Champions planning and this is having a significant impact on progress and development in KS1. Planned CPD in Spring '23 will support this.
Gymnastics Enhancement for Year Two in the Summer Term – Visit to Portsmouth School of Gymnastics	£250	Engage our children with a local specialist facility to enable them enhanced access to excellent gymnastics coaching and facilities.	Unable to take place due to relocation of gymnastics facility.
'Scootability' Training for Year 2 Children – 21 st June 2022	£300 + VAT	Improve the safety of our KS1 children travelling to and from school on their scooters. This will support early road safety skills and ensure our children are being physically active on the way to and from school by engaging in scootering.	This successfully took place and children loved it! Excellent training to develop scootering, safety and road awareness skills. 

<p>Small group intervention for identified children who need additional support with their physical development. LSA to run BEAM / Fundamental Movement Skills intervention. To take place in Summer Term 2022.</p>	<p>Cost of LSA hours to support delivery of intervention</p>	<p>Identified children are supported to ensure they make rapid progress with their physical skills by the end of the year.</p>	<p>This was a supportive intervention led in both class and year teams.</p> <p>Year R also incorporated BEAM into their PE sessions.</p>
<p>Year One Gymnastics Festival 4th April 2022</p>	<p>Cost of coaching for the gymnastics routine, supply for JD and mini-bus costs to transport children to festival</p>	<p>Children experience competitive opportunities in gymnastics with the opportunity to perform at the gymnastics centre in a festival. Potential 'talent identification' for some children in gymnastics.</p>	<p>Year One staff CPD due to working with gym coach, which was super successful. Y1 thrived on this opportunity and some children were identified to come back with parents.</p> 
<p>Tag Rugby Festival 10th May 2022</p>	<p>Cost of supply for JD, mini-bus costs to transport children to festival</p>	<p>Children take part in an inter-school festival, developing their tag rugby skills. Potential 'talent identification' for some children and sign-posting to new sport.</p>	<p>Unable to attend due to a change in time.</p>

<p>Quadkids Athletics Event 28th June 2022</p>	<p>Cost of supply for JD, mini-bus costs to transport children to festival</p>	<p>Children take part in an inter-school festival, developing their athletics skills. Potential 'talent identification' for some children and sign-posting to new sport.</p> 	<p>Exciting event at MBC where children participated in running, throwing and jumping activities. They thoroughly enjoyed it and we came 4th out of 11 teams from the city!</p> 
<p>Year R Gymnastics Festival 4th July 2022</p>	<p>Cost of coaching the gymnastics routine, supply for JD, mini-bus costs to transport children to festival</p>	<p>Children experience competitive opportunities in gymnastics with the opportunity to perform at the gymnastics centre in a festival. Potential 'talent identification' for some children in gymnastics</p>	<p>Year R team CPD by following video provided by PGC. Fabulous opportunity for our youngest learners to attend a gymnastics facility.</p> 
<p>July 2022 JD to meet with Jodie Bascome re: PE Curriculum</p>	<p>Cost of support from Jodie and JD supply time</p>	<p>PE lead to work with expert in Hampshire to develop and detail our 3Is at Solent Infant School.</p>	<p>Really positive opportunity for PE lead CPD and led to creation of our 3Is curriculum plan for Solent Infant School. Review of curriculum and continued development of</p>

			excellent offer and provision at SIS.
Additional PE / Physical Development resources	£1991	Purchase of a range of resources to support PE and EYFS physical development. Examples include: bean bags, cone markers, stepping stones, climbing equipment, fine motor resources.	These high-quality resources have had (and will continue to have) an incredible impact on the development of key gross and fine motor skills of our learners.
Sports Week Enhancement - Specialist dance coaching with Louise Slade	£100	All learners given the chance to access specialist dance teaching. Children signposted to local club for life-long active offer.	Children thoroughly enjoyed dance enhancement and some children will now attend the club outside of school. 
Sports reading books	£438	Purchase a range of Collins Big Cat reading texts to support our children's reading knowledge. The range of books to include: inspirational stories and information about sporting heroes e.g. Mo Farah, Formula One, Football, Winter Olympics. 	These texts will support the children's growing understanding of the sporting world around them and hopefully inspire them in the future, as well as capturing and supporting their interests.

<p>Purchase of Balanceability 14" bikes and helmets</p>	<p>£1850+VAT</p>	<p>To develop the gross motor skills of our learners and support their confidence and ability at being able to ride a bike.</p>	<p>Bikes purchased and awaiting building. Year One children are receiving a week-long 'Bikeability' course in November 22 to support their use of these and their development of bike riding skills.</p> 
<p>Ride-on toys</p>	<p>£785.97</p>	<p>To develop the gross motor skills of learners, as well as the important impact of PSED skills e.g. turn-taking, sharing, cooperative play and well-being.</p>	<p>Children enjoying using a range of new wheeled toys to develop their physical skills, as well as supporting their mental health and well-being working with friends and being outdoors.</p>
