Where in the World Assembly Launch!

Dear Parents and Carers

We are very excited to be able to share with you the launch of our 'Where in the World' assemblies 2023. This means that we now need you to help us out!

These assemblies provide us with a wonderful opportunity to celebrate those of us who are lucky enough to have family and friends who live or work in different parts of the world. In each Tuesday morning 'Where in the World' assembly, we bring the location and culture of our destination to life. We zoom around the globe using Google Earth investigating what it might be like to live at our selected destination. We also have great fun challenging ourselves to find the location on a world map and devising questions relating to anything else we would like to know about the place.

If you would like to contribute, please send an email for us to share in assembly outlining who you are and where you live or work to yourpics@thesolentschools.org. Both written and picture contributions are very warmly welcomed. You never know, you may well receive a reply from the children at school asking you further questions!

If you have friends or family living abroad, why not ask them to email us too!

Yours sincerely
