

Year 2 Ahoy There!

Key Aim – Through this theme, we aim to develop Geography skills and understanding of:

Location knowledge

Place Knowledge

Human and Physical Geography

Geographical Skills

Key Vocabulary:

Oceans

Atlantic

Arctic

Pacific

Indian

Southern

Continents

Europe

Asia

North America

South America

Africa

Antarctica

Australia

harbour city

sea ocean

UK port

Australia

harbour

similar

same

difference

different

Key facts (Geography):

Our school is in Portsmouth but Portsmouth is actually an island called Portsea Island.

Our school is not on Portsea Island. We are north of the island. There are three bridges that allow us to get onto Portsea Island / Portsmouth. The Eastern Road, the M275 and Hilsea.

A harbour is a sheltered body of water where ships, boats, and barges can be docked. The term harbour is often used interchangeably with port, which is a man-made facility built for loading and unloading vessels and dropping off and picking up passengers. Ports usually include one or more harbours. **Portsmouth Harbour** is a large [natural harbour](#) in Hampshire, England. Geographically it is a [ria](#): formerly it was the valley of a stream flowing from [Portsdown](#) into the [Solent](#). The city of [Portsmouth](#) lies to the east on [Portsea Island](#), and [Gosport](#) to the west on the mainland. At its north end is [Portchester Castle](#), of [Roman](#) origin and the first fortress built to protect the harbour. Portsmouth Dockyard is part of the harbour and was created by King Henry VII in 1496. It is very old.

Key Concepts and Skills:

- Begin to name the seven continents and the five oceans
- Understand geographical similarities and differences through studying the human and physical geography of a small area of the UK – *Portsmouth harbour* – and of a contrasting non-European country – *Sydney harbour, Australia*.
- Understand key physical features: sea, ocean
- Understand key human features: harbour, city, port
- Know and name famous harbours
- Know characteristics of harbours

Quality Texts to Inspire Us:

YEAR 2
Ahoy There!
Autumn 1 TERM 2023

Outcome: The children will use their geographical knowledge in a final written piece about Mermaids or Mermen and an infamous pirate.

Hook: The Mermaid Atlas Book

As Readers, we will:

- continue to read and discuss a wide range of genres
- continue to apply phonic knowledge and skills as the route to decode words until automatic decoding has become embedded and reading is fluent
- read accurately by blending the sounds in words that contain the graphemes taught so far, especially recognising alternative sounds for graphemes
- read accurately words of two or more syllables
- read aloud books closely matched to their improving phonic knowledge, sounding out **many unfamiliar words** accurately, automatically and without undue hesitation

Key Texts:

- The Mermaid Atlas – Anna Claybourne
- The Pirates Next Door – Jonny Duddle
- Own individual reading book

As Writers, we will

- write sentences that are sequenced to form a short narrative (real or fictional)
- demarcate sentences with capital letters and full stops
- segment spoken words into phonemes and represent these by graphemes, spelling some words correctly and making phonically-plausible attempts at others
- spell some common exception words
- form lower-case letters in the correct direction, starting and finishing in the right place
- form lower-case letters of the correct size relative to one another in some of their writing
- use spacing between words

Key Vocabulary:

- *Sentence, capital letter, full stop, adjective, noun phrases*

Must Haves:

- *Capital letter to start a sentence and a full stop to show the end*

As Mathematicians, we will:

Fluency

- *Recall number bonds to 10 and 20. Count in 2's, 5's and 10's*

Place Value

- Write numbers to 100
- Partition numbers

Addition and Subtraction

- Add and subtract across 10
- Solve missing number calculations and problem solve

Shape

- Name 2D and 3D shapes and describe properties

Key Vocabulary:

Fluency

Count on, pattern, sequence

Place Value

Tens, ones, partition, digit

Addition and Subtraction

add, plus, subtract, take away, total

Shape

sides, vertices, lines of symmetry

faces, edges, vertices

As **Scientists**, we will:

- **Working scientifically** – Asking simple questions and recognising that they can be answered in different ways. Gathering and recording data to help in answering questions
- Animal Needs for Survival: Find out about and describe the basic needs of animals, including humans, for survival (water, food and air).
- Humans: Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

Key Vocabulary:

Mammal, fur, carnivore, herbivore, omnivore
Bird, feathers, beak, insect, insectivore
Fish, scales, gills, fin
Amphibian, webbed feet, frog, toad, newt
Reptile, scales
Adult, baby, shelter
Exercise, physical and mental health, heart
Food, healthy diet, unhealthy diet, meat, vegetables, fruit, sugar
Hygiene, germs, disease, doctor
Teeth, plaque, filling

As **Geographers**, we will:

- compare and contrast Portsmouth Harbour with Sydney Harbour
- locate famous harbours on Google Earth
- explore atlases and locate oceans and continents.
- discuss the important characteristics of a harbour
- learn the important features of Portsmouth Harbour

As **Historians (through English)**, we will:

- discover and explore the lives of infamous pirates

Key Vocabulary:

Oceans Atlantic _Arctic Pacific _Indian
Southern
Continents Europe Asia North America
South America Africa Antarctica
Australia
harbour city sea ocean UK
port Australia harbour similar
same difference different

As **Designers and Artists**, we will:

- use a range of media
- explore pattern and texture
- develop techniques of colour, pattern, texture, line, shape, form and space.

Key Vocabulary:

collage shape
pastels paper
picture texture
line
pencil

As **Computer Technologists** we will:

- Develop our knowledge and understanding of online safety:
Searching and sharing
E-mailing using a simulation
Digital footprint

Key Vocabulary:

search filter sharing internet
email attachment reply
personal information
private information
digital footprint protection
identifying secure

In **PE** we will:

- run and efficiently use the arms.
- demonstrate running with balance and co-ordination
- understand the purpose of a circuit and how it can improve fitness
- understand the purpose of a circuit and how it can

Key Vocabulary:

relay
overtake
circuit

In **PSHE** we will:

- explore and discuss physical health and mental wellbeing
- explore and discuss growing and changing
- explore and discuss Keeping Safe

Key Vocabulary:

rules feelings personal health
medicines vaccinations healthy
allergies life cycle

As **Musicians**, we will:

- use voices expressively and creatively by singing songs and speaking chants and rhymes
- play tuned and untuned instruments musically
- listen with concentration and understanding to a range of high-quality live and recorded music
- experiment with, create, select and combine sounds using the inter-related dimensions of music.

Key Vocabulary:

chorus rhyme tuned untuned
sea shanty live music recorded music
body percussion rhythm
