| The headings below enable the school to demonstrate how we are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies | | | | | |
| i. Quality of teaching for all | | | | | |
| Desired Outcome: For all pupils to make at least expected progress in maths. | | | | | |
| Chosen Action / Approach | What is the evidence and rationale for this choice? | How will you ensure it is implemented well? | Staff Lead | When will you review implementation? | Review Impact Statement |
| School to engage in “Sustaining Phase” of Mastery programme for maths delivery throughout the school (Year 4) | Readiness for Mastery is led by The Solent Maths Hub with proven impact across a range of schools with a strong evidence base of proven success. It is a transformational approach to maths teaching which stems from high performing nations such as Singapore. The school started at year 1 (2019 – 2020) and progressed into year 2 (2020-2021) and the third year was embedding (2021-2022). The sustaining phase (2022-2023) will ensure that good practice continues, pupils continue to be challenged | -Maths Lead and SLT to draw on the successes of the project in the last 3 years and monitor eg focus on school development days -Year group meetings to agree strategies and | Maths Lead – Mrs McQuilken Head of School – Mrs Curthoys | This will be reviewed termly when analysing whole school data. Pupil Progress termly meetings when appropriate Expected Cost £8,000 | X3 Development Days monitoring in Mathematics show clear delivery using Mastery approach; approach embedded within Teaching and Learning of Mathematics End of KS 1 results: |

| Desired outcomes: We want children to leave our school with strong fine motors skills. Fine motor skills should not be a barrier for them achieving at least the expected standard in writing. | | | | | |
| <p>All pupils from EYFS to Year 6 to use Nelson Handwriting schemes</p> | <p>Children have weaker than typical fine motor skills – and some pupils have handwriting as a barrier to achieving the expected and above standards of writing. We want to ensure that all pupils are taught handwriting to a high standard across the school.</p> <p>Year R to teach handwriting in line with Little Wandle, moving to Nelson handwriting programme as specific children/ groups of children become competent with letter formation.</p> | <p>Teachers will teach handwriting daily.</p> <p>SLT will ensure this is on class timetables. SLT will look for evidence of lessons taught during half termly book looks. | ii Other Approaches | | | | | |
| Desired outcome: To ensure social and emotional issues do not prevent pupils from making at least expected progress in all subjects. | | | | | |
| Pastoral team to dedicate 0.5 FTE to supporting pupils who require support with mental health and wellbeing that are either causing or could potentially cause a barrier to learning (In addition to universal offer of mental health learning for all) | Resources applied during Lighthouse sessions, themed approach and group structure supported a range of pupils in developing strategies to cope with mental health challenges such as self-confidence, resilience and social communication skills – they were ready and able to learn – progress academically has mirrored this success. Research based approach to support the fact that pupils will not thrive in learning without good mental health. Enhanced support to families using PACE and NVR approaches – increase capacity to meet with specific families who request support | Identified pupils progress monitored during termly pupil progress meetings, monitoring, book looks and as part of monitoring cycle. Pastoral team to provide verbal and written feedback to class teachers and Head of School as sessions evolve. | Mrs Clark – Pastoral Team (ELSA) Mrs Loy – Pastoral Team Mrs Curthoys – Head of School Mrs McQuilken - SENDCO | Feedback half termly During termly pupil progress meetings Case studies How are we monitoring the impact of these sessions? Expected Cost: £6,000 | Increased offer of ELSA support for FSM pupils. Family Support offer publicised on website, in newsletter and in 1:1 meetings with FSM families. Full case studies for FSM pupils to identify longer term pastoral needs SENCO trained as Senior Mental Health lead to support ELSAs Training for staff from MHST teams and MHST Family Hub meetings established. Trick Box purchased ready for implementation in 2023 |
| Desired outcome: To ensure higher attaining pupils experience stretch in maths which allows continued progress. | | | | | |
