New Class Expectation Meetings – Autumn 2024

Dear Parents and Carers

I am writing to you today to invite you to the first important event of the academic year, our new class and school expectation meetings.

We strongly encourage all parents and carers to attend these meetings, whichever year group your child is starting, as there will be important information shared with the opportunity to ask any questions that you might have. Although information slides for meetings are shared on the website after meetings, these are only ever able to capture a snippet of the information discussed!

The aim of the new class expectation meetings, for Years 1 and 2, is to introduce you to your child's new classroom environment, new teacher and the associated expectations of their new year group. As such, these meetings are held in your child's new classroom and led by their new class teacher. The children will all be in assembly at the time of the meetings. The teacher will share lots of very useful information to guide you in supporting your child within their new year group for example:

- Personal, Social and Behavioural expectations.
- Curriculum and Academic expectations.
- Phonics, Reading Practice and Spelling.
- The teaching of Maths in their year group.
- A walk through the website and useful information for the year group.
- How to access support from school.
- Organisational features of your new class (PE days, timetables, library etc.)

For those that are starting a new school (Year R), the meeting dates remain the same as those that have already been shared at previous meetings. These are held in the school hall with the Executive Headteacher, Early Years Lead and Head of School. These meetings focus on starting the new school, as well as a new year group, and are held as a year group.

We understand how useful it is to have these dates in advance, so please sign up now to save your space. Below you will find a table summarising the dates for each year group. Once you have found
