SOLENT INFANT SCHOOL

1. Aims

Our SEND policy and information report aims to:

- Set out how our school will support and make provision for pupils with special educational needs (SEND)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND

At Solent Infant School, we believe that:

All children need to be inspired and motivated to engage in learning opportunities in order for them to become confident, successful and responsible young people.

All teachers are teachers of pupils with Special Educational Needs and/or Disabilities (SEND) and as such provide Quality First Teaching, which takes account of the individual needs of pupils with SEND within the classroom.

All children should be provided with equal opportunities in a stimulating and nurturing environment where everyone can feel valued, respected and safe.

All children should be entitled to a broad and balanced curriculum which is differentiated to meet their individual needs.

2. Legislation and Guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEN and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND Co-ordinators (SENDCOs) and the SEND information report

This policy also complies with our funding agreement and articles of association.

3. Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.
