Dear Parents and Carers

**Parent/ Carer and Child Workshop (Year R – Year 2) - Supporting Your Child in Mathematics**

Next week, we will be starting to host the next in our series of Curriculum Workshops. The focus for these sessions is Maths. We will give you an insight into the Maths Mastery approach used at Solent Infant School, which is then continued into the Junior School, and the way in which we support your child using concrete, pictorial and abstract representations. We will also share some ‘top tips’ for supporting your child with their maths learning at home.

These events are provided to give you the opportunity to come into school and attend a workshop alongside your child. Due to limited space in the classroom, we ask that only one adult attends with each child. We also ask that, if you have booked a space, you make a note of the date and time, as your child will be waiting in the classroom for you to attend the session with them. Entry to the workshops will be via the year group doors, from the playground at 9:10am. Please wait in the playground after morning drop off.

The dates and times of each of the workshops are below:

**Year R:**

Friday 7th March – Year R (9:10 – 9:40)

Friday 14th March – Re-run of Year R Workshop (9:10 – 9:40)

**Year 1:**

Wednesday 29th January – Year 1 (9:10 – 9:40)

Wednesday 5th March – Re-run of Year 1 Workshop (9:10 – 9:40)

**Year 2:**

Thursday 30th January – Year 2 (9:10 – 9:40)

Thursday 6th March – Re-run of Year 2 Workshop

You will be able to sign up under the clubs section of your Arbor app. Sign up will open tonight (Wednesday 22 January) at 8pm. We are looking forward to seeing you at this event!

Yours Sincerely
