Sports and Healthy Living Week – Monday 14th July – Friday 18th July 2025

Dear Parents and Carers,

I am writing to inform you of the sporting events we have planned at Solent Infant School in July.

Our annual Sports Week will be held this year from **Monday 14th July to Friday 18th July 2025**. During this week, the children will be finding out about Sports and Healthy Living, as well as taking part in a variety of physical activities. As such, we would ask that your child comes to school dressed in **sporting attire all week**. This must be clothing that your child can move easily in, earrings to be taped up and long hair tied up too. We will be spending extra time outside this week (weather permitting!), so please ensure shoulders are covered (no vest tops), sun cream is applied before your child comes to school and sun hats are in school every day, as well as water bottles.

Sports Events

During our Sports Week, we will be receiving specialist coaches and visitors into school, to deliver a range of exciting opportunities to our learners. We are welcoming Megan Wright, a PE specialist, in on Monday, who will be leading class Athletics sessions for all our children. We have Zumba workshops from the 'Sporting Dreams Company' visiting us on Wednesday, to lead dance workshops for our learners. Thursday will see Skateboarding workshops for our Key Stage One classes, inspiring them to try this new Olympic sport! On Friday, we have Portsmouth Tennis Centre coming to Solent Infant School to lead a series of tennis sessions for the whole school.

Throughout the rest of the week, we will continue to have our usual excellent curriculum PE, led by Megan Wright and CM Sports, who have super active sessions planned for our special sports week. We also have circuit training, yoga, mindfulness, class dance sessions, balance biking and extra adventure playtime planned in too! As well as the fitness focus, we will also be teaching the children about the importance of adopting a healthy lifestyle, focusing on healthy eating choices, hygiene and mindfulness, linked to their well-being.

Parental Involvement

We would love for you to join our children during their class's planned sprint races on Monday 14th July or Tuesday 15th July. The sprinting event will be held on the Recreation Ground behind the school and you are welcome to wander up and cheer on your child, and their class, during the heats and finals. Please note that your child will be running **once**, unless they are successful and make it through their heat to run in the boys/girls final. We would appreciate your understanding and support when it comes to judging the results of the sprint races. We will have a selection of volunteers at the finish line and results will be decided by the human eye. There will not be any opportunity to analyse video footage!
