

School Age Immunisation Service

Get protected against flu

FLU: 5 REASONS TO GET PROTECTED AGAINST FLU

1. Protect your child - The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
2. Protect you, your family and friends - Having the vaccine will help protect more vulnerable friends and family.
3. No injection needed - The nasal spray is painless and easy to have.
4. It's better than having flu - The nasal spray helps protect against flu and has been given to millions worldwide
5. Avoid costs - If your child gets flu, you may have to take time off work or arrange alternative childcare

The Immunisation team will be coming to the school to administer the flu nasal spray* to the students on:

*A porcine free injection is available

Scan the QR code to complete a flu consent form (even if you wish to opt out)
