

School Shop

The school shop will be open on our Open Afternoon on Friday 18th June. We ask that you pay with cash or cheque only please if buying on the day. From Friday 18th June you will also be able to purchase items online from the school shop. You will receive an email prior to this date asking you to sign up for a SIMS Pay account. This is how you order and pay for things online and how you pre-order your child's school lunches.

Once you have placed your online shop order you will need to allow three full working days before you are able to collect your items from school. We would ask that if you are coming to collect items, you please come between either 10:30am – 11:30am or between 3:30pm – 4:00pm.
