

Pre-School Picnic

As part of our starting school transition, you would have been invited to attend a 'Pre-School Picnic' in our school Orchard. This is always such a well-attended event at Solent with lots of fun had by all. Of course, in the current circumstances, we are unable to facilitate this on our school site. However, we would still like to invite you, over the coming weeks, to take part in a picnic of your own either at home in your gardens or in a safe space outdoors. This could be a lovely opportunity for your child to get excited about starting school in September.

We would love for you to take photographs of your special picnic events and upload them via the New Entrants tab on the school website. We will ensure that these photos are safely saved for your child's new class teacher and these will be used on display in the classrooms.

It will be amazing for your child to see their picnic photographs on display in school when they join us in September. We can't wait to see them and hope that you all have a fantastic time attending your own special picnic events.

If you have any queries please contact us at newentrants@solentschools.org.

We look forward to seeing you all very soon!
