

Miss Garland

Hello everyone,

My name is Miss Garland and I am a class teacher in Reception. I really like working in Reception because we get to learn through playing and exploring new things together. I enjoy reading and sharing stories with the children in my class, especially the stories that I loved when I was a child. One of my favourites is *The Last Noo-noo* by Jill Murphy.

When I'm not at school, I love being outside, going for walks and riding my bike, but I prefer sunny weather to the rain and cold.
