

Mrs Tobin

Hello Reception T,

My name is Mrs Tobin and I am really looking forward to meeting you all. I will be your class teacher for all of your time in Reception.

I have enjoyed 8 years of teaching in a Pre-school setting - exploring all aspects of Early Years, and now I can't wait to use all of this experience to teach our Starfish class!

At home, I live with my Fiancé, who I will be marrying in October this year! We like to go on walks to new places together, and spend time with our family such as our nephews in the photos - Leo, Max and Luca.

My favourite things to do are baking, drawing, and creating things like prints and homemade cards!

I can't wait to hear all about you and your favourite things to do! I am looking forward to meeting you all very soon.

- Mrs Tobin 😊
